 Option Two

River Heights Street Trees Resident Survey

Published on City of West Linn Oregon Official Website (<http://westlinnoregon.gov>)

Please select the below option you prefer:

Option #1 Details:

- The City will take care of all trees on Dollar St. 41 trees with a \$14,100 cost to the City.
- The City will partner 50/50 with homeowners for removal and replacement of all trees at once \$37,750 cost to residents and the City each.
- The City will handle all removal and replacement contracts etc.
- Since all homes benefit, it averages out to two trees per lot.
- Based on two trees per lot it amounts to \$290 per household payable the year your trees are removed or replaced.
- Payment can be spread out on your utility bill.

Option #2 Details:

- The City will take care of all trees on Dollar St. 41 trees with a \$14,100 cost to the City.
- The City will partner 50/50 with homeowners towards a phased (+-3 year) removal and replacement project \$37,750 cost to residents and the City each.
- First year removals would be per City arborist review.
- City will handle all removal and replacement contracts etc.
- Since all homes benefit, it averages out to two trees per lot.
- Based on two trees per lot it amounts to \$290 per household payable the year your trees are removed or replaced.
- Payment can be spread out on your utility bill.
